Dear

I am writing  for your permission  to ask any  
relevant authorities  for personal  information  
 regarding yourself . We will only ask for  
information , which we think is needed for us to be  
able to offer  you a tenancy agreement ,  
informing you of any questions  asked. If you need  
help    understanding this, please talk it over  
with your social worker , family  or advocacy  
group. 

Yours sincerely

Ruth Telford  
Project Manager.
