

Bournemouth Young People's Service

Bournemouth Young Peoples Service provides accommodation in Bournemouth for Young People leaving care or homeless.

Mission

To provide accommodation for young people in the care of the Local Authority with low to high support needs in a supportive, stimulating and safe environment, enabling them to make life changes and develop so that they are able to move on into successful independent living.

Location

The properties are opposite each other in a small cul de sac. Accommodation is located close to education, leisure and shopping opportunities.
