

Protection against life's twists and turns

Securing your future while planning wonderful new adventures together brings important peace of mind.

Have your will written for free

We are a local charity transforming the lives of homeless and vulnerable people and we are delighted to be able to offer a free will service thanks to our partnership with Steele Rose and McClure Solicitors. A wedding is exciting and a time when you consider your long-term future, it is also natural to wonder what unexpected twists and turns life may bring.

Why are wills important?

- Wills can help make a difficult time much easier for your loved ones.
- Finalising the affairs of someone without a will is far more complicated, with delays and added legal costs.
- Loved ones may find it more difficult to access the money intended for them.
- Leaving a will ensures your wishes are followed and that your loved ones are protected from additional distress.
- They allow you to leave a gift to other causes too.

How much does a will cost?

Our partnership with Steele Rose and McClure Solicitors means you can take advantage of our Free Will Scheme! With costs averaging £150, this is a fantastic opportunity. The service is free and whilst there is no obligation to make a donation in lieu of payment or leave a gift in your will, we hope that after looking after your loved ones you may consider these options.

How do I take advantage of this scheme?

If living within Wiltshire contact Steele Rose on **01722 410009** to make an appointment. Alternatively, outside of Wiltshire, contact McClure Solicitors on **0800 852 1999**. Mention Alabaré Free Wills Service when making your appointment.
